

Saving the world one village at a time...

Gamlingay Environmental Action Group

GEAG Executive Committee meeting Wednesday 21st January 2015 EcoHub, Gamlingay

Present: John Mossman, Brycchan Carey, Peter Corden, Jennifer Docherty, Vicky Brettle, John Mercer, Emma Grimshaw

Apologies: Bridget Mapperly, Mike Brettle

1. Executive Committee Elections

Interest expressed to represent the Hatleys on the committee.

Bridget Mapperly is stepping down.

We may need to do a recruitment drive as there are 4 spaces on the committee including social media and wildlife.

Suggestion we reach out to other groups e.g. youth. If so, we may need to move Committee meetings to the Hub but there will be a cost. Peter to explore.

Roles on the Committee: Brycchan to write pieces for the Gamlingay Post; and, Emma happy to take on the events role (organisation of speakers).

2. Future Meetings

There is now a Zumba class on Wednesday evenings so John suggested moving the day of the meeting.

Jennifer proposed that we should do more visits, for example, to some of the events advertised in transition Cambridge, recycling centre.

John suggested that we should present the programme for the year at the AGM.

- Peter to speak to Andrea (EcoHub manager) about using the Kingspan Hall at the same rate as we were paying previously.

3. West Road Development

Trinity College have not responded to the letter we sent but have said they will. Doctors surgery have expressed concern as they have no room to expand.

- Committee agreed GEAG should challenge the planning application.

4. Flamenco

- March 13th @7pm. Please can all promote and sell tickets.
